We recieved well over a thousand submissions for the residency DJ contest, which saw up-and-coming DJs compose 15-20 minute mixes for the chance to win a 2 month residency at Ibiza's best clubs. After much deliberation, the submissions have been dwindled down to a select few. These DJs will go on to compete in the next round of the residency competition at live mix off events.

The mix off events will be held all across Europe and presided over by leading members of the inudstry.

Winners of the first round have been broken up per region and we'll be adding to this list as word comes in. Hit the jump to listen to their mix and stay tuned for updates!
